INTRODUCING ...

We ATLABS (Apparel Testing Laboratories) is a recognized ISO certified Textile Testing Lab in Tirupur, India pioneering for more than 15 years in Industry with about 200+ clients worldwide. We have our registered office in UK (Head Office) and Sales office in Spain to serve our buyers to meet their business objectives by our reputed services. We are proud to be an ISO 9001:2015 certified testing laboratory. Our lab is also working towards NABL Certification and will obtain it soon. We fully understand our customer needs in respect of accuracy quality and precise Results. Our lab is one of the best textile testing laboratories, where a customer can get all textile testing done in one roof. We have our lab at our own premises with a perfect infra structure. Our lab testing services includes testing garments, fabrics and accessories in accordance with different international standards viz ISO, BS, DIN, AATCC, ASTM, JIS, CAN/CGSB etc. We are committed to offer the highest standards of excellence to the customers by providing timely accurate and impartial laboratory test results to guarantee customer satisfaction. We assure complete security, confidentiality and integrity of test results through dedicated work, technical competency, confidence and reliability.
